

# Lubricant & Additive Service List

Finished lubricants and additive chemistry, supplied and moved by TGI nationwide and globally.

FORMULATED BY  **BRB**

## Viscosity Modifiers

- Olefin copolymer (OCP)
- Polymethacrylate (PMA)
- Dispersant viscosity modifiers
- Star-polymer & shear-stable grades

## Engine Oil Additive Packages

- Passenger-car gasoline
- Heavy-duty diesel
- Universal / mixed-fleet
- Low-SAPS & emissions-compatible

## Driveline Additives

- Automatic transmission fluid (ATF)
- Manual transmission & axle
- Gear oil (API GL-4 / GL-5)
- Limited-slip

## Hydraulic Additives

- Anti-wear (zinc / AW)
- Ashless (zinc-free)
- Industrial & mobile hydraulic
- Detergent / dispersant hydraulic

## Tractor Oil Additives

- UTTO (universal tractor transmission oil)
- STOU (super tractor oil universal)

## Fuel Additives

- Diesel performance packages
- Gasoline detergents
- Cold-flow improvers
- Cetane improvers
- Stability & corrosion

## Component Chemistry

- Detergents & sulfonates
- Dispersants
- Anti-wear & extreme-pressure (EP)
- Antioxidants
- Pour point depressants
- Friction modifiers
- Rust & corrosion inhibitors
- Tackifiers
- Anti-foam

## Finished Lubricants, Oils & Greases

- Engine, hydraulic & gear oils
- Greases
- Turbine, compressor & R&O oils
- Biodegradable products
- Specialty fluids

## Sustainable / Upcycled

- Upcycled viscosity modifiers
- Sustainable additive grades

## Coolants & Glycols

- Engine coolants / antifreeze
- Extended-life & heavy-duty coolants

## Screen Wash

- Windshield / screen-wash concentrates
